Dress Rehearsal and Costume Notes:

Preschool–Level 4 Dancers: Costumes optional. There will **not** be a dressing room available for these dancers. If your child is performing in multiple numbers and would like to wear his/her costume, please have them choose one costume to wear for all of the rehearsal. Dancers and adult companion should stay in the audience until it is time to leave. **Dancers may leave after their last dance has been performed.**

Level 5-12: EVERYONE must wear costumes, hair and make-up for dress rehearsal. This gives us an opportunity to identify any costume issues that may need modifying. All classes will use the dressing rooms and practice entering stage from the dressing rooms. **Dancers may leave after their last dance has been performed.**

All dancers must stay backstage, in the audience, or in the lobby area.
Food, beverages, and gum are not allowed in the dressing room or theater.

All snacks must be eaten in the lobby area.

Please do not eat while in costume.

Children under 8 years of age must be accompanied by an adult for the entire rehearsal.

After rehearsal, please make sure you have all costumes, props, and dance shoes.

Parents, please enter the building to pick up dancers after rehearsal.

Dancers may not leave the theater without an adult.

Food, beverages, and gum are not allowed in the dressing rooms.

After each performance please check to make sure you have all costumes and shoes.

We ask parents and family to refrain from visiting the dressing rooms during the show and intermission. It is very busy backstage. Visitors cause disruption and infringe on dancers' privacy while changing.

Thank you for understanding.
